

GKX-1

REPLACEABLE BUTTON PAD WITH COLOR PICTOGRAMS FOR THE APT-200, MPT-300, MPT-350 KEYFOBS

Buttons of the **GKX**–1 button pad have pictograms on them that represent: full arming, night arming, disarming, and control (horizontal and vertical direction). This makes it easier to remember individual functions called from the **APT–200**, **MPT–300**, **MPT–350** remote control keyfobs.

- range of use: APT-200, MPT-300, MPT-350 keyfobs
- pictograms:
 - o full arm
 - o night arm
 - disarm
 - o control horizontal direction
 - o control vertical direction
